

## SINGLE SOURCE SYSTEMS PRODUCTIVITY TOOLS

# RIGHT FIT FOR YOU?

Here's a checklist to help you decide if the Single Source Productivity Tools for Acumatica are a good fit for your organization.

- Are you an Acumatica user?
- Do you have 10 employees or more?
- Is improving productivity a priority?
- Are you looking for tools to help your teams do their jobs with less frustration and fewer tedious steps?

**Agreement Designer.** We simplify creating documents with binding language. Does your organization use any of these types of documents:

- Proposals, bids, or sales contracts with customers
- Contracts with subcontractors
- Agreements or statement of work with vendors and suppliers
- Arbitration agreements
- Non-compete or non-disclosure agreements
- Service agreements with customers
- Product warranties or guarantees
- Sale quotas and compensation plans
- Onboarding and policy notifications

**Questionnaire Designer.** We streamline checklists and inspections. Does your organization use any of these types of lists?

- Inspection checklists
- Construction punch lists
- Project management tasks
- Onboarding and training requirements
- Prospect nurturing steps
- Safety inspections
- Regulation compliance
- Asset maintenance steps
- Operational procedures
- Qualifications for hiring or advancement
